Dear All,

IBM RESEARCH LAB is soliciting applications for the following:

'2017 Great Minds student internships'

'The Great Minds initiative is a competition for internships of 3 to 6 months at one of the IBM Research Labs in Zurich, Dublin, Nairobi, or Johannesburg for students from central and eastern Europe, the Middle East and Africa. It provides students a unique opportunity to work alongside world-class scientists in the leading industrial IT research organization.'

Please note that the following important call dates :-

Start Date : 01-Feb-2017

End Date: 20-Feb-2017
